

# THE HONOLULU ZOO

...to preserve and appreciate the diversity of wildlife.

Check out how **WE RECYCLE TOO**. Picnic benches and tables made from recycled plastic milk jugs can be found on the zoo lawns. Zoo manure and green wastes are recycled as compost at our Volunteer Garden.

For more information call the Recycling Office at 527-5335.

**ACTIVITIES:** Volunteers share information at various stations throughout the Zoo and Zookeepers give presentations about the animals under their care. Look for signs indicating the time and place for these activities since they vary in accordance with conditions and staff availability.

**CHILDREN'S ZOO:** Meet domestic animals *up close* at the Children's Zoo, open daily 9 am - 4pm. Children must be accompanied by an adult. No food, drinks, or smoking permitted.

**PLEASE DO NOT FEED PIGEONS:**

There is no feeding of *any* animal in the zoo. This includes pigeons and all other birds. The number of wild birds has grown so large that it presents a serious health hazard both to people and zoo animals.
